

GRADE 10 PLANNING

GRADES

- Review your grade 9 transcript and current report card – Re-dedicate yourself to raise the bar (see counselor for suggestions, tutoring, etc...)
- Review current schedule – Check for graduation requirements
- Make every attempt to take the **most** challenging classes where you can be **successful**

CLUBS and ACTIVITIES

- Join school activities including athletic teams, clubs, service organizations, music, etc.
- Take leadership positions when possible
- Remember – *Commitment, Commitment, and Commitment!*

PLAN AHEAD

- Log on to Naviance frequently:
<http://www.connection.naviance.com/bloomfield>
- Check to see if your parents have registered for Naviance – it is **IMPERATIVE** that they have access! If they are not registered, please have your parent contact your counselor immediately to provide their email.
- Under the “About Me” tab in Naviance, start to build your *Resume*- add activities, clubs, volunteer experience, work experience, etc. from freshman year and current year.
- Graduation may seem far away, but it’s not too early to get on the right track.
- PSAT (October) – review results and start prepping for SAT – sign up for “Question of the Day” on College Board and utilize free preparation resources including:
<http://www.number2.com> and <https://www.khanacademy.org/>
- As a sophomore, your PSAT scores do not count but you will become familiar with the exam. As a junior, you should plan to take the PSAT in October. In addition, use your PSAT scores to prepare for the SAT. Remember, **Perfect practice** makes **perfect!**

ATHLETES
